

Music and the Nadela

There seems to be a branch of the Nadelas who are gifted when it comes to music. I remember very clearly the reunions held at the Slabadu Resto bar at Jones Avenue , where the Nadela Twins performed before the clan. (The Slabadu Resto bar is still alive! It is now in Mandaue City. Check Sun Star article).

Of late, A number of Nadelas are making waves in the local music scene. The vocalist and the drummer of the alternative/punk band AgawAgimat are Nadelas - QT Paduano Nadela and Renmin Nadela. Check them out at www.agawagimat.com. Another Nadela musician is Lee Nadela, the bassist of Slapshock . Are there other Nadela musicians out there? Write a comment about this article.
