Celestino "JRT" Nadela Tomakin, Jr. September 27, 2008. It is with deep regrets that we announce the demise of one of the Reunion organizers, Celestino "JRT" Nadela Tomakin, Jr. He will be remembered for his proposal not to discriminate against Nadela clan members that have strayed from the flock. Instead, "they should be welcomed with no reservations in the hope that reform will be facilitated", said JRT during the first meeting which he attended at Cogon, Pardo.
