The Nadela Twins originated from Cebu, Philippines. They gained popularity when they were featured as regular talents for a local TV station ABS-CBN. After highschool, the twins proceeded to university and earned their corresponding degrees. When the family opened their own bar and restaurant popularly known as SLABADU, once again, the Nadela Twins were back in full action! They became even more famous in Cebu because the twins had their own artistic style of harmonizing intuitively as well as a natural way of dramatic projection of the songs they were singing. They carried this talent with them over to Taiwan and Canada and popularity only kept on surging.....
